

### Classic Colonial Kitchen

Features as follows:

- This kitchen features natural cherry cabinets and an oversized center island painted a soft yellow.
- The wainscoting accents and glass cabinet doors provide the kitchen with a country feel.
- A recessed ceiling above the center island, large windows and an open breakfast bay area gives the kitchen its sense of spaciousness and "brightness".
- The new kitchen changed the home's footprint by giving it a pleasing sense of symmetry and balance.
